### T&C

The Deposit Cash Rebate Coupon deducts the cash rebate amount from the initial deposit amount. Whereas for Deposit Cashback Coupon, the cashback amount will be added on top of the initial deposit amount.

Example of a deposit cashback coupon, "Deposit \$300 get \$28", the actual deposit will be \$300 with \$28 rewards.

The deposit requirements, cash rebate or cashback amount will be indicated on the coupon, which is based on the client's account base currency.

To use the coupon, clients must select and apply the desired coupon during the depositing process.

Using the "Deposit \$300 and save/get \$28" coupon as an example, the cash rebate or cashback amount will be applied when the deposit is made successfully. The deposit requirements and cash rebate amount according to each account currency type are listed in the table below:

<b>Account Currency Type</b>
USD US Dollar (USD)
Japanese Yen (JPY)

For example, if Client A uses an AUD account, the deposit amount will be 300 AUD. The cash rebate or cashback amount that the client is entitled will be 28 AUD.

If redeeming more than one coupon, clients must meet the withdrawal requirements for each coupon in a sequence where the coupons are being used.

Only successful deposits made via a valid Visa Card, Mastercard, Sticpay, Bitwallet, PAY2DAY, ZotaPay, Hong Kong Bank Transfer, Vietnam Bank Transfer, India Bank Transfer, Indonesia Bank Transfer, Thailand Bank Transfer, Philippines Bank Transfer, Malaysia Bank Transfer, and Brazil Bank Transfer, will be eligible for this promotion. The rebate amount will NOT be applied if a client makes his/her initial deposit via other means (BPAY, bank wire, etc.)

The deposit cash rebate, or cashback amount cannot be withdrawn or transferred to another account unless the account is granted to make a trade in FX, Gold (XAUUSD, XAUAUD), Silver (XAGUSD, XAGAUD) and Crude Oil (CL-OIL, USOUSD, UKOUSD) offered by Vantage. The cashback will be reversed if a withdrawal is initiated without making a trade.

The withdrawal requirements are based on the cash rebate or cashback amount where every \$1 awarded, will require a minimum of 0.2 standard trading lots. Using the "Deposit \$300 save/get \$28" coupon as an example again, clients will require 5.6 standard trading lots in this case.
